

COMPANY ANNOUNCEMENT

21 September 2012

Nufarm announces change of date for release of FY12 results

Nufarm Limited announces that it will release its financial results for the period 1 August 2011 to 31 July 2012 on Monday 24 September 2012. The live webcast of the briefing presentation will be available at 10.00am AEST on Monday 24 September by following the links on the Nufarm website (<http://www.nufarm.com>). Conference call dial-in details are also on the website. The results release and presentation material will be posted to the website following their release to the ASX. If you are unable to participate in or listen to the live presentation, an archived recording will be available to download as soon as possible after the conclusion of the briefing.
