

COMPANY ANNOUNCEMENT

28 November, 2012

Class action settlement approved

Nufarm Limited announced that the Federal Court has today approved the settlement agreement relating to class action proceedings that were brought against the company in early 2011. The settlement, which will result in a payment by Nufarm of \$46.6 million, results in the class action being dismissed without any admission of liability by Nufarm. \$43.5 million was booked as a material item in Nufarm's 2011/2012 accounts, with the balance to be reported in the interim results of the current financial year.
